### To the Sponsor

Pink Champagne Breast Cancer Survivors' Dragon Boat Team was established to preserve and protect the physical and mental health of individuals who have had treatment for breast cancer, in particular, but not exclusively, by the provision of support and recreational activities, demonstrating the benefits of an active lifestyle through the sport of dragon boat racing and encouraging individuals who have been diagnosed with breast cancer to lead full and active lives.

*Please support Pink Champagne to enable them to continue and extend these activities for the benefit of many more breast cancer survivors.*

Thank you.

**You may use this form to collect your own registration fee and/or if you would like to raise additional funds for The Pink Champagne Breast Cancer Dragon Boat team you can use it for that also. Please return the completed form (if used) to your team manager and they will send all monies collected to the event secretary.**
